

Charity Golf Tournament HOUSTON CHAPTER BMW CCA

Where the ultimate driving machine and drivers meet.

Golf...for a cause

On Saturday May 7th at 11 A.M., the BMW Car Club of Houston will host a Charity golf tournament at the Cypress Lakes Golf Club in Houston. Proceeds of this event will benefit **Homes for Our Troops**. HFOT builds mortgage-free, specially adapted homes nationwide for severely injured

Veterans Post 9/11, to enable them to rebuild their lives.

In addition to contributing to a good cause, this event will also be a lot of fun!

It's been rumored that the Cypress Lakes Golf Club has the best greens in Houston. Speaking from personal experience I can attest that they are certainly **QUICK!**

We will have additional guests from *Charity Golf International*. On one of the par 5's, a professional from this group will hit long (about 400 yards) *Stik-it-Golf* will also be there with a variety of fun items including a golf ball cannon. You can fire your drive straight down the middle for 300 yards with this baby! Also on site will be *Diamonds in the Rough*. They put on a great auction of Sports Memorabilia. Find that special ball or jersey you have wanted. Dinner, cash bar, and awards will be waiting for us when the round is over.

To register: <http://www.houston-bmwcca.com/?event=charity-golf-tournament>

For additional information on Homes for Our Troops, please see:

<https://www.hfotusa.org>

Homes for Our Troops (HFOT) is a 501(c) (3) nonprofit organization building specially adapted, mortgage-free homes nationwide for the most severely injured Veterans from Iraq and Afghanistan. These homes restore some of the freedom and independence our Veterans sacrificed while defending our country, and enable them to focus on their family, recovery, and rebuilding their lives. Since its inception in 2004, nearly 90 cents of every dollar donated to Homes for Our Troops has gone directly to their program services for Veterans. HFOT builds homes as a departure point for these Veterans to rebuild their lives, and once again become highly productive members of society. Despite their life-altering injuries, many of their Veterans have embarked on new careers, completed their college degrees, or started families. Empowered by the freedom a mortgage-free and specially adapted home brings, these Veterans can now focus on their recovery and returning to their life's work of serving others.
