

Established in 1947, [MIWD](http://www.miwd.com) is now one of the largest suppliers of vinyl and aluminum windows and patio doors in the United States. With plants across the country, MIWD is able to supply quality products to the company's ever-growing customer base. Having kept the focus on people as its greatest asset, MIWD continues to build and maintain relationships with customers through its national network of dealers and distributors. MIWD began its partnership with Homes for Our Troops in 2015. The company provides the in-kind donation of windows for the majority of projects completed by HFOT.
