

Progress Lighting is proud to be the Official Supplier of lighting fixtures for the Homes for Our Troops mission. We are committed to manufacturing award-winning energy efficient products while educating individuals on new options available in solid-state lighting. The manufacturer also responds to the ever-changing needs of the lighting industry with extensive research and development programs that ensure high standards of quality and innovation for the home. Headquartered in Greenville, S.C., Progress Lighting has distribution centers located throughout the country that support one of the largest networks of electrical distributors and showrooms in the United States. Visit www.progresslighting.com for more information.
