

Rev-A-Shelf is proud to support the Homes for Our Troops mission by providing accessible cabinetry and closets in all HFOT homes. Established in 1978 as a division of Jones Plastic & Engineering, our product line began as metal and polymer Lazy Susan components manufactured for the largest U.S. cabinet manufacturers and they have grown into the market leading innovator of quality functional residential cabinet storage, LED Cabinet Lighting and organizational products. Rev-A-Shelf manufactures thousands of innovative accessories for kitchen, bath or closet. With the acquisition of Tresco Lighting, Rev-A-Shelf now offers a full line of L.E.D. lighting options for residential & commercial cabinetry and store display fixtures. Rev-A-Shelf's primary markets are Cabinet Hardware Distributors, large OEM cabinet manufacturers, Lowes and Menards home centers, and a number of online web resellers.
