Home Loans

In 2012, [Veterans United Home Loans](#) and their charitable arm Veterans United Foundation entered into a three-year \$500,000 commitment with Home for Our Troops to build 100 homes nationwide. As the nation's No.1 dedicated VA lender, the company is committed to helping veterans and active military members take advantage of the home loan benefits earned by their service. Through the Foundation, they have a mission to have a lasting impact on the lives of our nation's heroes. The partnership with Homes for Our Troops allows Veterans United to do what it does best, help those who serve find a place to call home.
