

# OAK CRAFT

## ELEGANT CABINETS

OakCraft Home Is Where the Heart Is 2015/2016 Campaign Founded in 1983, [OakCraft](#) is a family owned and operated business that manufactures beautiful, custom and semi-custom cabinetry for the whole home including framed cabinetry, European frameless cabinetry and closets and garage storage solutions. OakCraft has built its reputation for being one of the largest cabinet manufacturers in the United States. Our products are built with passion, pride and integrity and we are dedicated to enhancing the lives of the people who live with our products. We are active stewards in our community and are strong supporters of the military. OakCraft is proud to support Homes for Our Troops to provide custom designed and specially adapted kitchen, bath and storage cabinetry solutions to create a comfortable home for our Veterans.
